It just makes sense: Our vehicles are different than any on the road, so why shouldn't our warranties be a cut above as well? At Mitsubishi, we're so confident in the quality, reliability and durability of Eclipse Spyder that we back it with one of the best Limited Powertrain Warranties in the business: 10 years or 100,000 miles[3] It's just one in a number of extensive warranties that come with the Eclipse Spyder —a list that includes a 5-year/60,000-mile fully transferable bumper-to-bumper New Vehicle Limited Warranty.

STARTING AT MSRP[4] **$27,999**

3 All coverage terms are from the original in-service date. The 10-year/100,000-mile Limited Powertrain Warranty applies only to the original owner of new, retailed 2010 models purchased from an authorized Mitsubishi dealer. Subsequent owners receive the balance of the New Vehicle Limited Warranty of 5 years/60,000 miles.
